1.2.1 Failed payment

Card number: **4205 7925 0786 4590**

Expiration date: **2006/10**

CVV2: **106**

1.3 OTP Bank

1.3.1 Successful payment

Card number: **4909 8232 9999 4466**

Expiration date: **02/06**

CVC2: **154**

1.3.1 Failed payment

Card number: **1111 1111 1111 1117**

Expiration date: **04/04**

CVC2: **111**

1.3.2 Cafeteria / SZÉP kártya:

Card number: **6101 3240 1000 2441**

Expiration date: **02/06**

1.4 Abaqoos

Username: **BIGFISH**

Password: **123456**

1.5 PayPal

In order to test PayPal payment you have to do the following.

You must log in at <https://developer.paypal.com/> because PayPal only allows users with developer account to access their sandbox system.

Feel free to use the following credentials, but even a new user can be registered for your company.

E-mail address: **dev@bigfish.hu**

Password: **bfpaypaldev**

In the same browser window you are logged on to the PayPal developer site, on another tab, you will be able to test the payment process.

For test purchases you can use the following:

E-mail address: **buyer_1264842853_per@bigfish.hu**

Password: **bfppbuyer**

1.6 MobilePayment (MPP) or MasterCard Mobile (MPP2)

1.6.1 Successful payment

36109000000

9000000000

1.6.1 Failed payment

900001000

36109002000

36109003000

36109004000

36109005000

36109000101

36109000102

36109000103

36109000105

36109000110

36109000112

36109000113

36109000114

36109000116

36109000140

36109000161

36109000163

36109000164

36109000165

36109000166

36109000174

36109000203
36109000154
36109010000
36109020000

1.7 Escalation

1.7.1 Successful payment

Card number: **5431 1111 1111 1111 (MasterCard)**
